SUMMARY

Product Marketing Manager with 3.5+ years of experience launching and scaling enterprise B2B SaaS products. Technically fluent in the products I market, with direct experience in customer-facing roles and a track record of contributing to enterprise pipeline growth including campaigns that drove 10–15 deals each exceeding \$100K. Passionate about writing on technology and cognitive science for 480+ subscribers on [Substack](#).

CORE SKILLS

Product Marketing: Go-to-market strategy, product launches, messaging, positioning, sales enablement, customer storytelling

Market & Customer Insight: Market research, competitive analysis, customer interviews, persona development

Cross-functional Execution: Product collaboration, sales and marketing alignment, stakeholder management

Tools: Gen AI tools, n8n, marketing automation, analytics and SEO tools (Ahrefs, Google Search Console)

PROFESSIONAL EXPERIENCE

ManageEngine (Zoho Corporation)

Product Marketing Specialist – Security Platforms

Jan 2023 – Nov 2024

- Led 6+ product launches across [Log360](#) – an enterprise security and incident management solution – through release notes, PRs, and webpage releases.
- Executed multi-channel pan-geo market retention program (SEM, email, demos, workshops, customer visits) driving a 30% lift in retention rate.
- Owned go to market strategy for an enterprise SaaS product: [Log360 MSSP](#): the managed services version of SIEM platform, unlocking a \$30B addressable market.
- [Translated complex platform capabilities](#) into customer value propositions, hitting \$10M MRR in December 2023 as a team.
- Partnered with product teams to shape PRDs and incorporate market feedback into roadmap discussions.
- Produced sales enablement assets – [A company-wide standout: Dark side of AI Ebook](#), decks, demos, [launch content](#), and battlecards, driving \$100K in customer deals.
- Collaborated cross-functionally with sales, [analysts](#), and partners to drive product adoption and visibility.

ManageEngine (Zoho Corporation)

Marketing Specialist – Brand & Customer Marketing

Nov 2024 – June 2026

- Pitched and executed a nationwide [customer-centric campaign](#) across digital, OOH and print media in India, bringing in \$5M in closed sales deals.
- Led customer [storytelling](#) across blogs, [videos](#), and testimonials, growing brand recognition by 30% (EY brand study).
- Drove campaign planning, event marketing, and content strategy across brand-level product launches.
- Executed [brand campaigns](#) across social media and events, building brand relevance across geographies.
- Leading the [ManageEngine Power of people series](#), a customer-centric blog series to strengthen customer centricity.
- Leveraged Sora, Midjourney, and in-house AI tools to streamline content creation and campaign execution.

PROJECTS

[Bookmap](#)

2026 – Present

- Reading tracker built independently with AI. Designed and shipped end-to-end with minimal prior coding experience.

[WriterScript](#)

2026 – Present

- A bulk-free voice editor that runs locally for writers who voice their articles (I do!).

[CRC \(Closed Room Conversations\)](#)

2025 – Present

- Founded and run an IRL community in Chennai. 6+ events, 50+ attendees across engineering, research, arts, and policy.
